

**CALENDAR YEAR 2005
CONTINUOUS
VACANCY ANNOUNCEMENT
FOR FILLING HOURLY JOBS
(BID LIST)**

**U.S. DEPARTMENT OF ENERGY
BONNEVILLE POWER
ADMINISTRATION**

BIDS WILL BE ACCEPTED BEGINNING: OCTOBER 1, 2004

BIDS WILL EXPIRE: DECEMBER 31, 2005

JOBS WILL BE FILLED FROM THIS ANNOUNCEMENT BEGINNING: JANUARY 7, 2005

Selections at Bonneville Power Administration (BPA) are based on merit and are accomplished without regard to political, religious, or union affiliation or non-affiliation, marital status, race, color, national origin, sex, sexual orientation, age, or non-disqualifying physical disability; nor will such action be based upon any personal relationship, patronage, or nepotism.

WHO MAY BE CONSIDERED: Career and Career-Conditional employees of the Bonneville Power Administration only.

To maximize the benefit of this continuous vacancy announcement and your opportunity to be considered for permanent promotions, temporary promotions, and change of duty station, please complete the required forms within the identified timeframes. If a new hourly job and/or location occurs during the year, or if there are insufficient bidders during the year, the job and/or location will be advertised on a separate vacancy announcement for a minimum of fifteen (15) calendar days. Qualified applicants, who are not selected under the announcement, will be placed on the Bid List for consideration for subsequent vacancies.

Semi-annual rating & ranking will be conducted during the third week in January & July for Electrician Foreman I, II, IIG, and III (Maintenance and Construction), Lineman Foreman I and III, and Chief Substation Operator III. All bids and paperwork for temporary/permanent Electrician Foreman I, II, IIG, and III, Lineman Foreman I and III, and Chief Substation Operator III must be received by 12/31/04 to be included in the January semi-annual rating/ranking process. All bids received on 1/1/05 through 6/30/05 will be rated/ranked in the July rating/ranking. Once you have been determined "Best Qualified" for Electrician Foreman I/II/IIG/III (Maintenance and Construction), Lineman Foreman I and III, Chief Substation Operator III, PSC/SPC Craftsman/Trainee, Aircraft Patrol Observers, and all Dispatching Jobs, you will retain your "Best Qualified" ranking for a period of 5 years from the date ranked as "Best Qualified".

You must submit the Calendar Year 2005 Bid Request (including the list of jobs and locations), your application or resume, if required, and if applicable, the appropriate supplemental questionnaire, to:

JOBS SUBJECT TO SPECIAL CONDITIONS

Some jobs have specific conditions of employment that must be met prior to entering the job. This section contains the special conditions.

Pre-Appointment Drug Testing and Random Drug Testing

The Secretary of the Department of Energy has determined that incumbents of the listed hourly jobs are subject to random drug testing under the provision of DOE Order 3792.3. The DOE order also requires that an applicant who is tentatively selected for one of these jobs must first be tested for the use of illegal drugs prior to final selection. An applicant who is tentatively selected for one of these jobs will receive further information about testing procedures.

Medical Surveillance Program

Some jobs are subject to the Medical Surveillance Program and include jobs that have been reviewed and identified as having the potential for being exposed to toxic hazardous substances. Identified jobs require pre-employment, annual and position change physical exams, which are provided and paid for by BPA. If you are selected for one of the jobs subject to the

Medical Surveillance Program, you will be advised by Personnel Services. If you have any questions regarding this program, please contact Matthew Mactyre, CHM-1, at 503-230-3503.

Alcohol Testing

The Department of Transportation has issued a rule, which provides for testing for the presence of alcohol in employees who operate a commercial motor vehicle. The testing may be random or may be directed under certain circumstances. Employees shall be randomly selected by the Department of Energy using a statistically valid method. This program is established to ensure that employees who operate a commercial motor vehicle are not impaired by alcohol. The provisions of the alcohol-testing program apply to occupations and jobs, which require a Commercial Driver's License and are listed below.

PRIVACY ACT NOTICE

Section 1302, 3301 and 3004 of Title of the U.S. Code authorizes collection of this information. Primary use of the applicant's social security number is to access Automated System. Furnishing this information is voluntary, but failure to provide this information may result in the inability to process the applicant's bid sheet.

The agreement between BPA and the CPTC provides that all hourly jobs be advertised on a continuous basis. Applicants will be rated and ranked in accordance with the procedures outlined in the BPA Merit Promotion Plan and Implementation Procedures for Filling Hourly Jobs, Personnel Letter #335-2.

- ❖ Each application/bid expires on December 31.
- ❖ If you receive a promotion, your bids for equal or lower paying permanent jobs will be removed.
- ❖ If you accept a reassignment, your bids for other reassignments will be removed.
- ❖ Declining a job offer will result in your removal for that location.
- ❖ **If your bid was removed, you may contact the Employment Center to have your bid retained for those jobs and locations for which you are still interested.**

APPLICANT INSTRUCTIONS

- ◆ Complete the Calendar Year 2005 Hourly Bid Request. Mark an “X” by the jobs and locations you are interested in, both permanent and temporary, on the attached list. A specific vacancy announcement will not be issued to fill permanent or temporary jobs unless there are insufficient bidders or it is a new hourly job and/or location.
- ◆ Complete an application or resume. (***Note: Any application or resume you currently have on file expires on 12/31/2004. You must submit a new application or resume for calendar year 2005.***)
- ◆ If you have been determined Best Qualified for Electrician Foreman I/II/IIG/III (Maintenance and Construction), Lineman Foreman I and III, Chief Substation Operator III, PSC/SPC Craftsman/Trainee, Aircraft Patrol Observer, and Dispatching Jobs since January 2001, you need only to submit the Bid List and accompanying Personal Information portion. Applicants are encouraged to keep their resumes up to date.
- ◆ If applying for promotion or change in craft, you must submit an application or resume along with the appropriate supplemental questionnaire. The Supplemental Questionnaire(s) are available on line at <http://webip1EBR/PrsonnelServices/BidList.htm>, or you may contact the Employment Center at (360) 418-2090.
- ◆ If applying for a lateral reassignment (change of duty station only), within the same craft, you need only submit the Calendar Year 2005 Hourly Bid List request and accompanying Personal Information portion.
- ◆ You will be provided a confirmation notice listing the jobs and locations for which you applied. **You are responsible for ensuring the accuracy of these bids.**
- ◆ In order for subject-matter-experts (SME’s) to fully evaluate your qualifications for promotion or change in craft, your application or resume, supplemental questionnaire, and Calendar Year 2005 Hourly Bid Request must be received in the Employment Center prior to receipt of management’s request to fill a job, e.g., SF-52
- ◆ Submit completed Calendar Year 2005 Bid Request, application or resume, and, if applicable, the appropriate supplemental questionnaire to Bonneville Power Administration, ATTN: Personnel Services – CHP/CSB-2, PO BOX 491, Vancouver, WA 98666-0491, or 2401 NE Minnehaha St, Vancouver, WA 98663, or fax to (360) 418-8286; or e-mail to: jobs@bpa.gov.
- ◆ Semi-annual rating & ranking will be conducted during the third week in January and July for Electrician Foreman I, II, IIG, and III (Maintenance and Construction), Lineman Foreman I and III, and Chief Substation Operator III. All bids and paperwork for temporary/permanent Electrician Foreman I, II, IIG, and III (Maintenance and Construction), Lineman Foreman I and III, and Chief Substation Operator III must be received by 12/31/04 for January rating/ranking. All bids received on 1/1/05 through 6/30/05 will be rated/ranked in the July rating/ranking.
